## **ARTSPLASH SEEKS CHALK ARTISTS**

*Carlsbad's September 26-27, 2009 Festival Offers Artists an Opportunity to Participate in Street Art at No Charge – Early Signups Encouraged*

Carlsbad, CA ... Carlsbad's annual fall classic – the ArtSplash chalk art festival – dives into town on September 26-27, 2009. Artists are needed to make the venue on Armada Drive come alive with color and creativity.

ArtSplash Chalk Artist Chairperson Raziah Roushan says, “We offer 80-100 artists the space to display their talents. We provide the pre-sponsored chalk art square, chalk and hundreds of thousands of visitors to admire their artwork. The opportunity is provided at no charge to artists, but we urge people to apply early as spots fill up fast.”

Information and a Street Painter Application are available under Artist Information at [www.carlsbadartsplash.org](http://www.carlsbadartsplash.org). For additional details and photos of this unique community celebration for arts education, visit the website or call 760-436-2828.

Proceeds from ArtSplash benefit arts and music programs in North County Schools.
